Place of DRP Posting: SDH, mamsa, gamdhingra

Date of Joining: 1/3/2025

Date of Completion: 31/5/2025

## **PRINCIPLES & OBJECTIVES OF DISTRICT RESIDENCY PROGRAMME**

### **Principles -**

1. Learning experiences have to be derived from and targeted to the needs of the community.
2. Doctors have to be trained in diverse settings including those which are close to the community.

### **Objectives -**

1. To expose postgraduate students to the district health system and involve them in health care services being provided at the district hospitals for learning while serving.
2. To acquaint them with the planning, implementation, monitoring, and assessment of the outcomes of national health programs at the district level.
3. To orient them towards promotive, preventive, curative, and rehabilitative services being provided by various categories of healthcare professionals under the National Health Mission.

## **RESPONSIBILITIES OF A DISTRICT RESIDENT**

The District resident shall be responsible for -

- Serving in outpatient, inpatient, casualty, and other departments, encompassing night duties
- General clinical duties
- Managerial roles and public health programs
- Contribution to research work

The resident shall also remain in contact with their designated postgraduate faculty and department at the parent medical college. They shall also participate remotely in scheduled case discussions, seminars, journal clubs and thesis discussions with their teacher.

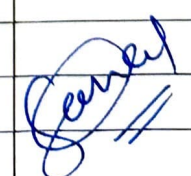

## **GENERAL INSTRUCTIONS**

1. The resident must carry this logbook during the duration of the District Residency Program posting.
2. Details of work done during the posting must be filled regularly and signed by the supervisor/mentor.
3. At the end of the posting, signature and the stamp of the DRP co-ordinator (CDMO/Superintendent) shall be obtained on the completion certificate.
4. It is mandatory to complete the DRP Posting prior to applying for Post-graduate University Examinations.
